SERVICES

THERAPY SERVICES

INDIVIDUAL COUNSELING

Our licensed therapists provide one-on-one counseling to explore and address a wide range of mental health concerns, including anxiety, depression, trauma, and relationship issues.

GROUP THERAPY

Connect with others facing similar challenges in a supportive group setting. Our group therapy sessions offer a sense of community and shared understanding, fostering healing through shared experiences.

PSYCHIATRIC SERVICES

Our board-certified psychiatrists and nurse practitioners provide thorough psychiatric assessments, medication management, and ongoing support to individuals dealing with mental health disorders.

VIRTUAL SESSIONS

(GROUP AND INDIVIDUAL)

Access group and individual mental health support from the comfort of your own space. Our secure and confidential virtual sessions allow you to connect with our professionals remotely, ensuring that quality care is accessible when and where you need it. And our group sessions allow you to connect with your peers with the same security and confidence.

PRIMARY HEALTH CARE

Our integrated health program is revolutionizing primary care services, offering a comprehensive approach to well-being. With multiple sites scattered across New Jersey, we bring healthcare to your doorstep. Our team of dedicated professionals is committed to providing personalized and holistic primary care, ensuring that you receive the attention and support you deserve.

CRISIS INTERVENTION

In times of crisis, timely support is crucial. Our crisis intervention services provide immediate assistance and coping strategies to navigate challenging situations.

MEDICATION-ASSISTED TREATMENT (MAT)

If you or someone you love struggles with addiction and/or behavioral health disorders, we can help you and/or your loved one begin to HEAL.

Our Medication-Assisted Treatment (MAT) services are a cornerstone of our comprehensive substance use disorder treatment. By integrating medication management, counseling, and support services, HEAL (Health Empowerment to Advance Life) is our MAT program, and it provides effective and compassionate care to individuals seeking recovery from opioid and alcohol use disorders. HEAL services offer hope, healing, and the opportunity for individuals to reclaim their lives from the grip of addiction.
